

WHAT'S YOUR DESTINATION?

The story is almost always the same. The majority of teens killed in traffic crashes were not buckled at the time of the crash. In fact, the fatality rate for drivers ages 16 to 19, based on miles driven, is four times higher than for drivers ages 25 to 69. Buckle up to and from prom, graduation, and every other trip you take.

SEAT BELTS SAVE LIVES.
